Client Site URL

This site is for Stirling Benefits, Inc. Participant Users:

<https://www.mywealthcareonline.com/stirlingbenefits>

If you previously created a User ID and Password for the Benefits Payment System, use your existing User ID and Password to log into the Stirling Benefits WealthCare Portal.

Skip to page 5: Step 1. Select Picture and Passphrase to complete your registration.

WealthCare Portal Registration Process

Begin Registration – New User Registration.

You must click “Register” in the upper right hand corner of the site and then complete all required fields on the registration page as shown in the callout - First Name, Last Name, Debit Card Number and Participant ID (employee’s Social Security Number, no spaces or dashes). *Contact Stirling Benefits for Employer ID if you do not have a Debit Card.*

The **password** must be at least eight characters with at least one non-alpha character.

IMPORTANT:

Registration ID = Debit Card Number (if using BPS Debit card) or Employer ID (Contact Stirling Benefits at 800-447-6689 for Employer ID)

Participant ID = Employee’s Social Security Number (No Spaces or Dashes)

The screenshot shows the WealthCare Portal registration page. The top navigation bar includes "Home", "Enrollment", "Resources", and "Employer". The "Register" link is in the top right corner. The main heading is "User Registration". Below it, there is a "How to Register" section with instructions: "To register with this site, you must have an EmployeeID and a Reg BULFISCDH as your Registration ID..". A note states: "All fields marked with a red arrow are required. - (Note: - Register responds.)". The registration form includes fields for: User Name, First Name, Last Name, Email Address, Password, Confirm Password, Participant ID, and Registration ID (with a dropdown menu set to "Employer ID"). There is also a checkbox for "Accept the Terms of Service". A callout box on the right side of the page highlights these fields, with red arrows pointing to the "User Name" and "Employer ID" fields in the main form.

Step 1. Select Picture and Passphrase

You will be provided with step-by-step instructions and once you click “Begin Setup Now,” you will be taken to Step 1 of the Registration process and must enter a personal phrase and select a picture. This picture and passphrase confirms that you are on the WealthCare portal site the next time you log in.

Set Up Secure Authentication FAQs

To protect your privacy, we have developed the SA service. Setup is required but takes just a few minutes. Here is what to expect.

- **Step 1 – Select a picture and personal phrase.** These visual cues are displayed when you sign on and are your assurance that it is safe to enter information.
- **Step 2 – Provide answers to challenge questions.** These questions may be asked during the sign on process to confirm that an authorized individual can access financial information online.
- **Step 3 – Register your computer (or not).** We ask that you register computers you commonly use to access your financial information online. This authorization helps us ensure that only recognized locations are accessing your information online.
- **Step 4 – Provide Information.** This information is used to securely encrypt the previously entered authentication information.

Click Begin Setup Now to start. This process takes only a few minutes to complete and is vital in our efforts to prevent fraudulent activity.

Here is the Page Notes on Question Pages

Step1 Example

Set Up Secure Authentication FAQs

Step 1 – Select a picture and personal phrase

To speed the setup process, we have selected a picture for you. Before you click Continue Setup, be sure to enter a personal phrase.

Enter a personal phrase:

Your personal phrase will always appear alongside your picture when you sign on. A phrase can be up to 40 characters long.

If you'd like, click a different picture to replace the picture above.

If you have time, you can browse more pictures by category.

[Need To Cancel](#) ? We encourage you to complete the SA setup now. If you want to continue later, you'll need to start from the beginning.

Step 2. Select Security Questions and Answers

You must select four (4) security questions and their respective answers in order to proceed.

Set Up Secure AuthenticationFQAs

Step 2 – Provide answers to challenge questions.

Please use the following drop-down lists to choose four questions that are relevant to you, and then enter answers for those questions. When you are done, click Continue Setup.

Note: It is very important that you provide answers you can remember easily. For best results, use true answers instead of made-up answers, and avoid answers with tricky spelling or punctuation.

Step 3. Register computer (or not)

You have the option to register your computer. If you do so, then the next time you log in, you will not be challenged with security questions. If you do not register you will be challenged with security questions prior to entering your password. You will have the option each time you log in to register your computer.

Set Up Secure AuthenticationFQAs

Step 3 – Register your computer (or not).

When you register your computer with the SA service, it helps us to know who you are when you sign on to Portfolio Online. If we do not recognize your computer, you will still be able to access Portfolio Online, but you will be asked to answer challenge questions as part of the sign-on process. So, for a faster sign-on process, you will want to register this computer.

Register this computer. Check this option if you commonly use this computer to access your financial information online. We will save a cookie to this computer to identify it as a registered location for accessing your financial information.

Do Not Register This Computer. Check this option if you do not want to have this computer identified as a registered location for accessing your information. Instead, additional questions will be asked when you sign on to protect your personal information.

[Need To Cancel](#) ? We encourage you to complete the SA setup now. If you want to continue later, you'll need to start from the beginning.

Step 4. Provide Information

You can confirm your first name, last name and email address.

Set Up Secure Authentication FAQs

Step 4 – Provide Information.
Please verify your information. You can change your information directly on this page. When you are done, click Continue Setup.

The information is used to securely encrypt all previously entered authentication information. The email address entered is used for security encryption only. It is not used for solicitation purposes.

Setup Complete

You may sign in or sign-off.

Set Up Secure Authentication FAQs

Setup is complete and successful
You are now set up for Strong Authentication. The next time you sign on to Portfolio Online.

- You will be asked for your username.
- You will be shown your picture and personal phase(so you know it's us).
- You will be asked for your PIN.

If you sign on from a computer that is not registered, you will also be asked challenge questions.
Thanks for helping us make a Portfolio Online more secure.

Forgotten Password & Locked Out Users

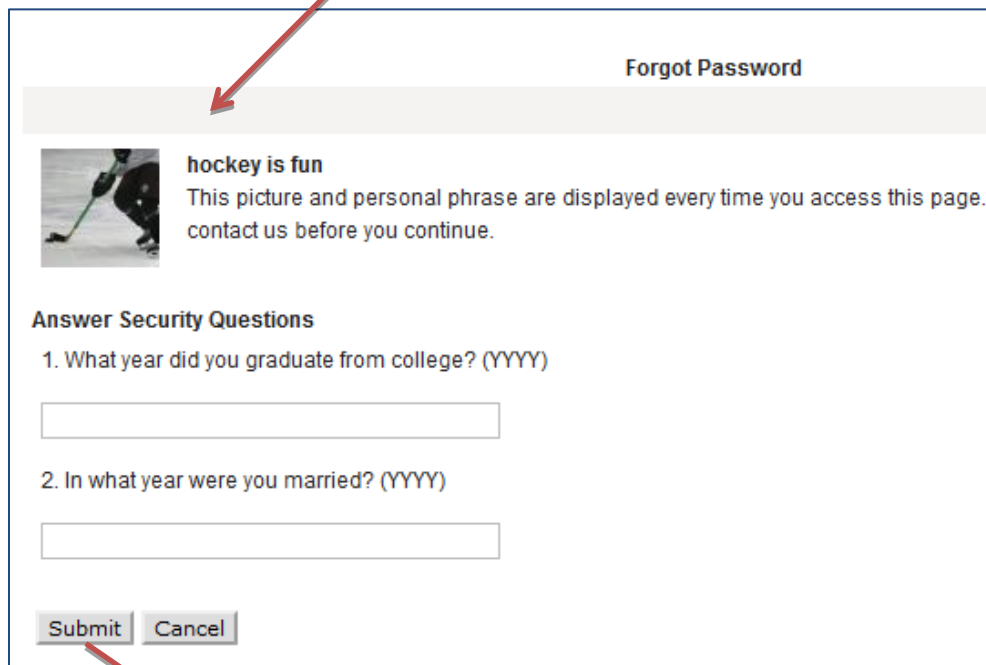

Forgotten Password

1. You can reset your own password after entering your UserID, answering security questions (if applicable) and then clicking "Forgot your password" as shown below.

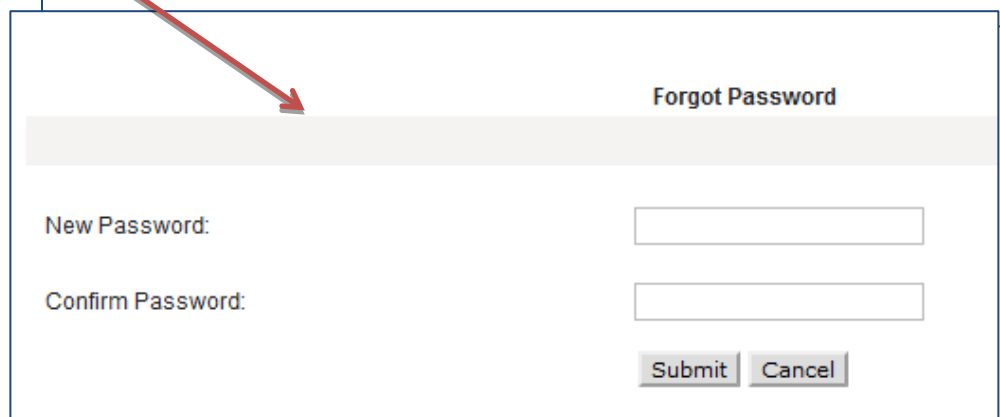

The screenshot shows a user interface for a "Forgot Password" page. At the top, there is a header with a small image of a hockey player and the text "hockey is fun". Below this, a message states: "This picture and personal phrase are displayed every time you contact us for assistance and do not enter your personal information." A "Password:" label is followed by a text input field. Below the input field are two buttons: "Sign In" and "Cancel". At the bottom of the form, there is a link that says "Forgot your password?".

2. You will be challenged with your Security Questions upon answering successfully; you will be able to set a New & Confirm Password.

This screenshot shows the "Forgot Password" page after the user has successfully answered the password reset request. The header remains the same with the "hockey is fun" image and text. Below the header, a message says: "This picture and personal phrase are displayed every time you access this page. contact us before you continue." Underneath, there is a section titled "Answer Security Questions" with two numbered questions: "1. What year did you graduate from college? (YYYY)" and "2. In what year were you married? (YYYY)". Each question has a corresponding text input field. At the bottom, there are "Submit" and "Cancel" buttons. A red arrow points from the "Forgot your password?" link in the previous screenshot to the top of this page.

3. You will be able to enter a new password by entering a "New Password" and "Confirm Password."

This screenshot shows the "Forgot Password" page where the user is prompted to enter a new password. The header is consistent with the previous screens. Below the header, there are two text input fields: "New Password:" and "Confirm Password:". At the bottom right, there are "Submit" and "Cancel" buttons. A red arrow points from the "Submit" button in the previous screenshot to the top of this page.
